District	**City of Swan**
Nominating for	**Councillor for Altone Ward**
Election type	**Ordinary**
Enrolment status	**ALI, Arshad is eligible to stand for election as a resident of the City of Swan.**

Community means everything to me. It drives my work and inspires my commitment to serve. As Chairperson of Maarakool Primary School and former board member at Brabham Primary, I've worked with parents, teachers, and residents to ensure progress, transparency, and sustainability. Beyond education, I founded the Feed in Need program to support families and partnered with the Red Cross for a local blood donation drive. In 2023, I ran for council, and in 2025 I am humbled to be nominated as a Community Citizen of the Year. I'm proud to again stand as a candidate for Altone Ward Local Council this October. My priorities: faster council services, safer streets, cleaner parks and facilities, better youth and seniors programs, and stronger support for small businesses. With your support, we can build a safer, stronger, and more connected Altone Ward. Vote 1 Arshad Ali – Together We Grow.
