Nominating for	<b>Councillor for Midland-Guildford Ward</b>
Election type	<b>Ordinary</b>
Enrolment status	<b>HOWLETT, Sarah is eligible to stand for election as a resident of the City of Swan.</b>

It's been a privilege to represent you on Council for the past 4 years. Thank you.

Over this time I've consistently opposed rate rises & wasteful spending. I've supported the retention of Black Cockatoo habitat & Banksia Woodlands, protected Guildford's Sugar Gums & successfully moved a motion for the City to become Owl-Friendly.

I've fought to increase our POS & local amenity. I've highlighted local traffic concerns, supported residents with parking & planning issues, addressed drainage & community safety.

As an Independent councillor I research, listen & engage. I speak up on matters that concern & affect you, including responsible financial management, planning matters, increased urban canopy & verge maintenance.

I'm not on Council to feather my nest, for free dinners or events. I'm there to serve you.

I'm part of the community, local & loyal and with your support, I'm seeking re-election for a second term on council to continue putting your local issues first.
