District	City of Swan
Nominating for	Councillor for Midland-Guildford Ward
Election type	Ordinary
Enrolment status	O'HANLON, Declan is eligible to stand for election as a resident of the City of Swan.

I've lived my whole life right here in the Midland–Guildford Ward. I went to Guildford Primary, joined Scouts in Bellevue, and landed my first job in Midland. This community has shaped me and now I want to give back.

As an electrical engineer in the water sector, I solve complex problems every day. I want to bring that same practical mindset and forward-thinking approach to the council, because smart solutions matter.

If elected to council, I will advocate for:

- More funding for maintenance of our roads and drainage in the Midland-Guildford area.
- Smart, sensible and sustainable planning and development, particularly to alleviate traffic problems.
- Financial accountability and transparent decision making.
- Growing Midland as a vibrant economic hub.
- Beautification projects in the ward.
- Proactive and accessible communication with ratepayers.

I'll work hard, listen closely, and represent every resident with integrity and energy. I want to see a council that brings people with them.
