Election type	Ordinary

I'm proud to call Ellenbrook home since moving here with my family from the Philippines in 2007. Growing up through St Helena's and Holy Cross College, I've seen first-hand the strength of our community – and I'm ready to give back by bringing fresh energy, community service, and strong skills to council.

As a postgraduate law student, I bring research, critical thinking, and ethical decision-making to the table – qualities that will ensure council decisions always put people first. My community service with Vinnies, Ellenbrook Meals, and teaching taekwondo reflects my belief that leadership starts with serving others.

If elected, I will champion properly managing the Ellenbrook pool, with clear timetables, accessible to everyone; improve street lighting in Bullsbrook; work with residents around Ellenbrook Central to increase parking options, including parking permits. Support more CCTV and lighting in our parks.

Vote 1 Maria Toquero for a fresh perspective and a stronger community.
