

Candidate Details

Ballot paper name

CONGERTON, Mel

Candidate name

Melvyn CONGERTON

District

City of Swan

Nominating for

Councillor for Whiteman Ward

Election type

Ordinary

Enrolment status

CONGERTON, Mel is eligible to stand for election as a resident of the City of Swan.

For over 30 years Mel has dedicated his time and energy with 20 of those years on Council serving the Whiteman community. Mel successfully delivered millions of dollars in funding to vital projects. Notable accomplishments include the establishment of the intergenerational playground, pump track, and skate park, along with numerous upgrades to playground equipment and enhancements to green spaces, totalling over \$20 million in my last four years in office.

His continued fight to get the Aged Care facility on Paradise Quays have been rewarded finally and will come to fruition in the next few years, however the new junior football club pavilion on Parkview has been overlooked by the current council. This year, only \$400,000 was allocated to the whole of Whiteman which outrageous to address the pressing needs and issues for the Whiteman Ward. If you re-elect me I promise that I will work hard to ensure our community receives the attention and resources it deserves.
