

Additional Information

As I am only one vote, I am committed to mine wisely always prioritising the best interest of the community. I will listen carefully to the concerns and needs of community members, provide constructive feedback to council. I will actively engage with my fellow business owners to understand their perspective on how we could improve the local business environment. I truly believe that flourishing small businesses are the backbone of happy communities. Lets come together and support one other, share ideas and collaborate for a brighter future and create a environment where both businesses and the community flourish.
