**ORR, Felicity is eligible to stand for election as a resident of the City of Swan.**

Felicity has lived and worked in the City of Swan since building her first home in 1994. Felicity is a small business owner and is committed to supporting local businesses and the local community. I believe in supporting local. We have so many hidden gems right in our own backyard. Felicity is passionate about helping people where possible and supporting and fighting for our local and the broader community within The City of Swan. I want our community to thrive. It's about lifting each other up without any hidden agendas or politics. Felicity will always do what is best for the community as a whole, with no political or personal agenda.

when we support local businesses, we're not only helping the economy, we're also fostering relationships, which not only uplifts families it also nurtures community spirit.
