

Ballajura Intergenerational Playspace

Responsible Business Unit	SCP Key Result Area	SCP Objective
Project Management	Social	S2.1 Build service delivery options to meet the future needs of aged, youth, families and children

Description	To design and construct a new intergenerational playspace in Ballajura.
-------------	-------------------------------------------------------------------------

Outcome	Milestone
<p>To create an environment which:</p> <ul style="list-style-type: none"> • is an inclusive space for all ability levels; • offers varied play experiences which engage a range of senses (auditory, tactical, visual); • provides play options aimed at different ages – encouraging intergenerational play in family groups (ie children, parents and grandparents); • promotes connection to nature, with a focus on natural materials / finishes; and • balances social interaction with independent and exploratory play. 	<ul style="list-style-type: none"> • Design completed – 2022/23 • Construction commence – 2023/24.
