## Executive Summary, The Vines Community Patrols

This report provides details of the security patrols and incidents attended during the month of August.

The Braven Community Safety Patrol staff continue to build their profile and contact within The Vines community. Braven staff have been supplied with business cards for residents giving contact details for the patrols.

As the patrol profile has risen we are getting more calls and contact with residents.

Braven staff continue to liaise with the residents, Police, City of Swan staff and other stakeholders in the community to build the profile and assist residents wherever possible.

- **Vacant Premises.**

When residents have left their homes for extended periods on holidays etc they have been encouraged to advise our patrol staff who will conduct up to six checks a day on each of the premises during the normal patrols. Braven staff will contact residents on their return to ensure there were no issues at the property in their absence.

- **Graffiti**

The Braven staff are having a number of animal interactions as below.

On the evening of 17<sup>th</sup> August, a Braven patrol officer observed a Possum had been struck by a car and was dead on the road. A check of the possum revealed a baby in its pouch which was rescued and kept warm in the patrol vehicle. After completing his shift at 2.00 AM, the patrol officer took the baby possum to a 24 hour vet near his home for treatment. Feedback from the vet revealed the possum was fine and had been taken to a wildlife rescue centre.

On the 21<sup>st</sup> August a resident advised Braven Patrol staff that a group of ducklings had become stuck in a drain. Braven staff contacted FESA staff who attended and assisted Braven staff to reunite the ducklings with the mother.

- **Assistance for residents**

On the 21<sup>st</sup> August Braven staff attended to a local resident who was having problems changing a flat tire resulting in the cars jack collapsing. Braven patrol staff changed the tire and helped the resident on their way.

- **Suspicious person**

On 15<sup>th</sup> August staff received a call regarding a suspicious person and vehicle at an address in Lakeview Circle. Inquiries revealed the person was a friend of the owner helping with gardening and walking the owners dog.
