## Keeping of Horses Questionnaire

one city diverse places

### When is a planning application required for the Keeping of Horses?

A planning application for the keeping of horses is **not** required on land zoned General Rural, as long as the horses are being kept for domestic, private use only.

A planning application for the keeping of horses is required in all other rural zones in the following instances:

- Where the proposed number of horses to be kept on a property is greater than the base (dry) stocking rate that applies to the land as defined in the Agriculture Western Australia document titled "*Stocking Rate Guidelines for Rural Smallholdings – Swan Coastal Plain and Darling Scarp*".

### When is the Keeping of Horses **not** a Fast Track application?

The Keeping of Horses is **not** a Fast Track application in the following instances:

- When the application proposes a significant variation to the City of Swan *Keeping of Livestock Local Planning Policy*; or
- When the proposed number of horses significantly exceeds the base (dry) stocking rate; or
- When the subject property comprises considerable environment constraints; or
- Requires Council to determine the application
- Involves a property which is within a Heritage Area or on a Heritage List and proposes development which is visible from a public space (i.e. street, park etc);
- Requires one or more State Government Agency or committee referrals;
- Is a retrospective application; or
- Requires public consultation with surrounding landowners.

### Important Information:

- Any areas of remnant vegetation, wetlands and watercourses are required to be fenced to exclude livestock. Please illustrate any proposed fencing on the site plan to exclude livestock from environmentally sensitive areas.
- Please be advised that special management techniques may be required for the keeping of livestock within Public Drinking Water Source Areas and within 200 metres of Conservation Category Wetlands and Resource Enhancement Category Wetlands in accordance with any requirements specified by the Department of Environment.
- You are advised that stables and all facilities associated with the keeping of livestock (e.g. exercise areas, watering troughs, feed stockpiles, and storage of manure, compost and wood waste) should be located a minimum of:
  - 50 metres from the banks of permanent watercourses; and
  - 30 metres from the banks of ephemeral watercourses and all wetlands
 Please ensure all paddocks and associated facilities are setback the required distance.
- Please be advised that areas of the City of Swan are impacted from time to time by stable fly.
