## When is a planning application required for a Shed?

The location of your property and size, height, colour and location of the proposed shed will affect whether you are required to lodge a planning application. The table over the page should assist you in determining whether you are required to lodge a planning application.

## When is a Shed not a Fast Track application?

A Shed application is not a Fast Track application in the following instances:

- Requires Council to determine the application.
- Is within a Heritage Area or on a Heritage List and proposes development which is visible from a public space (i.e. street, park etc);
- Requires one or more State Government Agency or committee referrals;
- Requires public consultation with surrounding landowners;
- Is a retrospective application; or
- Proposes significant variations to the current Local Planning Scheme and Local Planning Policies.

## How do I prepare my planning application?

The following information is required to be included in your planning application. You may submit your application to City via post or in person. Please note that the City does not currently accept electronic planning applications. Please ensure that you submit all of the required documents to avoid delays with lodgement and allow City staff to process the application.
