When is a planning application required for a Water Tank?

A planning application is required for a Water Tank in the following instances:

- The Water Tank is **located outside** of an approved Building Envelope; or
- Where no Building Envelope exists and the Water Tank is setback **less** than 15 metres from any property boundary; or
- The Water Tank is located within a Heritage Area or it contains a place on a Local &/or State Heritage List

When is a Water Tank **not** a Fast Track application?

A Water Tank application is **not** a Fast Track application in the following instances:

- Requires Council to determine the application as opposed to determination under Delegated Authority
- Involves a property which is within a Heritage Area or on a Heritage List and proposes development which is visible from a public space (i.e. street, park etc);
- Requires one or more State Government Agency referrals;
- Requires a referral to the Swan Valley Planning Committee;
- Requires public consultation with neighbouring and surrounding landowners;
- Is a retrospective application; or
- Proposes significant variations to the current Local Planning Scheme and Local Planning Policies.
