About Economic Development at the City of Swan

The City of Swan is the largest metropolitan Local Government in Perth and has diverse locations suitable for all business types, ranging from industrial parks and major commercial centres to rural areas.

The City is playing a major role in the development and delivery of strategic policies, plans and projects that will help shape our future economic prosperity.

Our commitment is to support the growth and development of the local economy through the attraction and support of businesses in the city.

The Swan Business Engagement Program will help us to understand your business and assist you through information provision, business facilitation and potential business opportunities.

If you would like to start, grow or relocate your business in the City of Swan, our team of qualified and experienced professionals is here to help.
