

Public Statement Time

What is Public Statement Time?

Public statement time is your opportunity to make a statement to Council about any general matter affecting the City.

Do I need to register to make a public statement?

You do not need to register but you may register if you wish via the contact details below.

What happens at the Council meeting?

At the start of public statement time the Presiding Member will ask if there is anyone wishing to make a public statement.

When you are invited to make a public statement, please come forward to the microphone, state your name and suburb of residence before making your statement.

Each public statement should be limited to approximately two minutes.

A response from Council will not usually be given.

Public statements will be summarised and included in the minutes of the meeting.
