WAINWRIGHT, Mick

I have lived in Beechboro for 27 years and am committed to making our community a great place to live, work and play and I have been involved in many community groups over the years. As a Councillor, I lobbied for infrastructure and services such as Brockman House, Aged Care, Altone Park upgrades, services for our youth, improved parks and led the charge on cat laws. I always worked to ensure good financial management and good governance in the City and will continue to do so if elected. I am always accessible and willing to assist the community to achieve its goals. I have a well-established working relationship with all levels of government putting me in a strong position to lobby on our behalf. As a resident of the Altone ward, I seek your support to continue working for our community.
