District	City of Swan
Candidate Name	Sarah Victoria HOWLETT
Ballot Paper Name	HOWLETT, Sarah
Nominating for	Councillor for Midland/Guildford Ward
Election Type	Ordinary

HOWLETT, Sarah

The Midland-Guildford ward deserves better.

I've lived in Midland for 25 years, raising a family & running a business. I frequently speak at Council meetings, strongly advocating on community issues such as wasteful spending & heritage protection of our unique natural & built environment.

I'm committed to increased liveability through improved amenities, greater safety & better community engagement.

I support zero % rate rises. Rates spent in your suburb. More support for our local businesses.

I will push for an Indigenous Arts & Cultural Centre, a Midland Central Park, community use of the Railway Workshops & better traffic management.

I have the energy, skills & fortitude to represent you & I will not walk away from my commitments.

I will continue to care, engage & put this ward first.
